

**From:** kevin lyda  
**To:** Microsoft ATR  
**Date:** 1/23/02 8:11am  
**Subject:** Microsoft Settlement

the proposed settlement won't do much to curb microsoft's anti-competitive actions in the future, nor deal with their past behavior. this page covers most of the issues that concern me: <http://www.kegel.com/remedy/letter.html> . i have requested to be listed as a co-signer of it.
